Holland Capital Management is pleased to announce the addition of Shari Gilfillan as Senior Portfolio Specialist. As Senior Portfolio Specialist and a member of our investment team, Shari will represent Holland's investment team in client, prospect, and consultant meetings. She will also act as a liaison between the investment team and marketing/distribution, as well as assist with new product development. Shari has over 23 years of investment experience, including a 20 year career at UBS Asset Management.

Most recently at UBS, Shari was an Equity Strategist responsible for constructing and managing equity funds as a member of the Global Sustainable Equities Team and US Equities Team. Her responsibilities included overall product positioning and development, as well as marketing and communications to existing and prospective clients globally. Shari performed portfolio construction analysis, interpreted risk management data and was the Deputy Portfolio Manager of the Global Sustainable (SRI) Equity Strategy, a strategy she helped grow to \$4B in AUM. Prior to this role, she was a Portfolio Manager on the Global Equities Team. Before joining UBS, Shari was an Investment Associate at The Northern Trust.

Shari has been a guest speaker across the country and globally on investor conference panels about such topics as US equities, global equities and the evolution of sustainable investing. She has an MBA with a concentration in Finance from Kellstadt Graduate School of Business at DePaul University and a B.S. in Finance from Miami University.
