

Terms and Conditions

Please read these terms and conditions (“Terms” or “Terms and Conditions”) carefully before using the services described herein. Your access to and use of the Holland Capital Management LLC (“Holland Capital”) website located at <http://www.hollandcap.com/> (“Website”) is conditioned upon your acceptance of and compliance with these Terms. These Terms apply to all visitors, users and others who wish to use the Website. By accessing or using the Website you agree to be bound by these Terms and if you disagree with any part of the Terms then you are not an authorized user and do not have permission to access the Website.

Holland Capital reserves the right to change, modify, add or remove portions of these Terms at any time for any reason. We suggest that you review these Terms periodically for changes. Such changes shall be effective immediately upon posting. You acknowledge that by accessing our website after we have posted changes to these Terms, you are agreeing to these Terms as modified.

Disclaimer

The content of the Website is intended solely to provide general information regarding our business. **Nothing contained on this Website constitutes tax, accounting, regulatory, legal, insurance or investment advice.** Neither the information, nor any opinion, contained on this Website constitutes a solicitation or offer by Holland Capital to buy or sell any securities, futures, options or other financial instruments to any person in any jurisdiction in which such offer, solicitation, purchase, or sale would be unlawful under the securities laws of such jurisdiction. The information provided on the Website does not constitute a representation that any such investment strategy or fund investment is suitable or appropriate for any person.

All investments involve risk and may lose value. Past performance is not indicative of future results and no guarantees are made that investment strategies will achieve their investment objectives and investors could lose part or all of their investment. Investment strategies managed by Holland Capital are intended to be long-term investment vehicles and may not be appropriate for all investors. Investors should carefully consider their own investment goals and risk tolerance before investing in the strategy. Principal risks of investment in equity strategies are investment risk, foreign investing risk, growth companies risk, issuer risk, management risk and market risk.
